EMPLOYMENT

We employ trustworthy local staff who holistically and lovingly care for the children and families.

50

We provide **meaningful employment** to over 50 Congolese men and women. **Today, our staff engages in weekly training sessions, daily devotionals and many women have benefitted from counseling.**

WE UNITE **EACH CHILD TO HIS FAMILY**,
EITHER THROUGH FAMILY REUNIFICATION
OR THROUGH ADOPTION WHEN NEEDED.

In 2022, **five children joined their forever families** through adoption and **five children were reunified** with their families.

FORM

We empower vulnerable women toward stability, self-sufficiency and hope.
